NUVIS® Single -Use 4K Arthroscope

NUVIS® Wireless Camera System

NuCision Shaver

IE's mission is to be a leader in the development of **high-quality, low cost single-use endoscopes**, and its NUVIS single-use arthroscopic technology have already made a significant splash in the industry, revolutionizing the market by delivering 4K optics in a single-use device—providing first-time quality for every procedure. The company's primary mission is to lead the charge responding to the broad need for wireless arthroscopic technology.
